Dear Ms. Heilizer:

This is to follow up on your letter to me dated November 20, 2012 and our telephone conversation from last week.

I am sending another copy of my letter to the FEC dated November 8, 2012. As you indicated, I have had the letter notarized so that it will be treated as a complaint that can be investigated. I have made another copy of my copy of the brochures that were mailed. Two samples were attached to the first letter dated November 8, 2012 and sent to the FEC.

Thank you for your consideration.

Sincerely,

Virgil H. Goode

VIRGIL GOODE FOR PRESIDENT

November 8, 2012

Office of the General Counsel
Federal Election Commission
999 E Street NW
Washington, DC 20463

Dear Counsel:

I am sending you two brochures that arrived in many mailboxes in Virginia on the Monday before election. Although my name is on these mail pieces, I had nothing to do with them and did not know anything about them until I was contacted by recipients and my wife, who also received them. Many citizens felt that I did these mailings. Absolutely untrue. I would like very much to know if these mailings comply with Federal Election laws and regulations. I also would like to know who paid for these mailings and who sent them.

Thank you for your consideration. Please call me at (540) 483-9030 or send a written reply to 235 South Main Street, Rocky Mount, Virginia 24151. Please do not send an e-mail. The e-mail box below will be changed soon.

Sincerely yours,

Virgil H. Goode, Jr.

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

November 20, 2012

The Honorable Virgil H. Goode
235 South Main Street
Rocky Mount, Virginia 24151

Dear Congressman Goode:

This is to acknowledge receipt of your letter on November 19, 2012. Specifically, your letter encloses two brochures that appear to support your candidacy for President, but which were allegedly produced and mailed by an unknown source not connected with your campaign.

The Federal Election Campaign Act of 1971, as amended and Commission regulations require that the contents of a complaint meet certain specific requirements. One of these requirements is that a complaint be sworn to and signed in the presence of a notary public and notarized. Unfortunately, your letter did not contain a notarization on your signature and was not sworn to.

In order to file a legally sufficient complaint, you must swear before a notary that the contents of your complaint are true to the best of your knowledge. The notary must represent as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this ____ day of ____, 20__." A statement by the notary that the complaint was sworn to and subscribed before him/her also will be sufficient. We regret the inconvenience that these requirements may cause you, but we are not statutorily empowered to proceed with the handling of a compliance action unless all the statutory requirements are fulfilled. See 2 U.S.C. § 437g.

If I can be of any further assistance, please do not hesitate to contact me at (202) 694-1650.

694-1598

Sincerely,

The Romney Plan on Gun Rights:

Mitt Romney has failed to help protect our gun rights. As governor of Massachusetts he signed legislation that restricted gun owners' rights. He has attacked the National Rifle Association, saying "I don't line up with the NRA" and supported federal laws that restrict gun owners' rights. It is no wonder that Gun Owners of America gave him a D- minus grade for his poor record.
